will be lustrous long after the devastation that evoked it. It shall be made to bloom again in renewed prosperity. Relief was furnished to the multitudes as promptly as it was bestowed by the noble donors. Thousands were fed amid the ashes of their homes. Distributions of clothing began before the smoke lifted its shadow from the gloomy scenes. Hospitals were opened where scorched shriveled sufferers found relief and attention. Habitations flowed by the comfortable, begin to appear in the stricken region, wheat has been furnished and sown in waiting soil and is making green the fields blackened by fire, and new hope has been awakened in the hearts of thousands of sufferers, paralyzed by the overwhelming suddenness and extent of the calamity. In company with members of our relief committee the Governor visited the burned regions, and issued a proclamation confirming the dreadfull tidings we were appointed to announce, and in which, among other things, he says the whole work of those to whom contributions have been intrusted give evidence of having been inaugurated and conducted with care and fidelity. In this good work the people of Port Huron, from their proximity to the scene of disaster, were first upon the ground, being the stricken region where the stricken region, where the calamity is the stricken region, where the calamity is the stricken region, where the first stricken region, where the stricken region, where the stricken region, where the first stricken region, where the stricken region is the stricken region, where the stricken region, where the stricken region, where the stricken region, where the stricken region is the stricken region where the first stricken region is the stricken region where the first stricken region is the stricken region of sufferers paralyzed by the convertions of those parties. He does not say the was nominated, but that he was indorsed by the conventions of those parties. He does not say the was nominated, but that he was really a very good plant is read that the first that mittee on reception of municipal officers and delegations purposing to visit Cleveland next Monday requests such delegations to correspond at once with Edgar Deckner, Chairman, and on arrival to report immediately at the Council chamber, in City Hall.

No invitation has been extended to any mility of the scene of their proximity to the scene of their proximity to the scene of the formula to some parts of Campbell's Code. He (Lowry) objected to some portions also, and he would add that if it were perfect there would be no need for Legislatures convening, except to elect United States Senators. The General then in indignant terms repelled the charge that had been and the scene of the convenience of the conven

need of further relief and of the facil-ities afforded here for prompt and efficient distribution by naming two
